**DAY 1 ARRIVE NEW YORK CITY - DINNER - BROADWAY SHOW**

Welcome to New York City! More. That's the guiding principal in New York City, a town with more first-rate entertainment, more highly respected museums and more excellent restaurants than anyplace in the world. More famous buildings and landmarks, more opportunities for shopping, more distinctive neighborhoods. More people, more energy. More than you can ever do on one vacation. Upon arrival, we will be met by a local professional tour guide before transferring to our centrally located Manhattan hotel just steps away from Times Square in the heart of the theatre district! Check in before freshening up for our first night in "The Big Apple". Tonight, join our travel partners for a delicious welcome dinner and a top Broadway Production. (D)

**DAY 2 CITY TOUR - LUNCH - 9/11 MEMORIAL SITE & FREE TIME**

This morning after breakfast, depart on a six hour guided tour of the city. Visit many landmarks made famous in books, movies and history. Pass through the skyscraper canyons of Wall Street and marvel at the size. Journey past the museums of Fifth Avenue and by the Plaza Hotel, Trump Tower, Empire State Building, St. Patrick's Cathedral, Central Park. We then travel to the World Famous Katz's Deli (In the same location since 1888!) where we enjoy an included lunch. Continue touring and visit the **9/11 Memorial Site**. Return to the hotel mid-afternoon and have some time at leisure. Go shopping at one of the famous department stores all decorated for the holidays. Visit one of the 30-plus museums. Or take a carriage ride through Central Park. New York City offers everything imaginable so your options are endless! This evening, is free to delight in a delectable dinner before exploring more of the city or attending another Broadway show if you like. (B,L)

**DAY 3 STATUE OF LIBERTY/ELLIS ISLAND - DINNER & ROCKETTES**

Wake to another fantastic day in the "city that never sleeps". Enjoy breakfast before traveling to Battery Park where we will board a ferry to historic Liberty National Park. See the impressive Statue of Liberty. Towering more than 300 feet above the bay, Lady Liberty continues to hold her vigil as she has since 1886. Next stop is Ellis Island, the nation's point of entry for some 12 million people who immigrated to the U.S. between 1892 and 1954. View the American Immigrant Wall of Honor and various exhibitions chronicling the history of the island and its processing station. We make a brief stop for lunch and shopping on our own. Return to the hotel for some free time to explore the city before getting ready for our last night "out on the town". Tonight, have a scrumptious farewell dinner with our newfound friends. Then take our reserved seats at the historic Radio City Music Hall. Delight in its newly revised annual "Christmas Spectacular" with the high precision kicks of the world famous Rockettes. (B,D)
